These children were the first this year to be invited to Mr Armer's hot chocolate afternoon. They were nominated by teachers and parents in recognition of them going above and beyond or excelling in an area, not just academically.

Well done to: Freddie, Leo, Millie, Rory, Rachel, Jack and Minnie (parent nomination)

If your child has done something that you feel is worthy of a hot chocolate then send in details to

Claiming our past – Celebrating our present – Creating our future

LGBT+ History Month is celebrated from Wednesday 1st February until Tuesday 28th February 2023.

The aim of LGBTQ+ History month is to try and promote equality and diversity for the benefit of the public.

This can be done by:

Increasing the visibility of lesbian, gay, bisexual and transgender people, their history, lives and their experience.

Raising awareness and advancing education on matters affecting the LGBT+ community.

Working to make educational and other institutions safe spaces for all LGBT+ communities.

Promoting the welfare of LGBT+ people, by ensuring that the education system recognises and enables LGBT+ people to achieve their full potential, so they contribute fully to society and lead fulfilled lives, thus benefiting society as a whole.

Working Together To Improve School Attendance The expectations on parents are:

That you will ensure that your child attends school every day, the school is open except when a statutory reason applies, and that you notify the school as soon as possible each day when your child has to be unexpectedly absent.

Punctuality - school doors open at 8.40am to encourage punctuality and good attendance. Registration officially starts at 8.50am.

That you only request leave of absence in exceptional circumstances and that you do so in advance.

That where possible you book medical appointments around the school day.

That you work with your child's school and the Local Authority to help with the understanding of any barriers to your child attending school regularly.

That you engage with support offered including such things as accessing Family Toolbox or your child accessing Zillo or attending meetings to prevent the need for more formal support including legal intervention.
