The school photographer will be visiting school on **Monday 26th & Thursday 29th June** to take class group photographs.

Wirral Coastal Walk.

We would like to say a huge congratulations to Florence who completed the Wirral coastal walk (in intense heat!) last weekend. She persevered and raised an incredible £425 for Just4children. Well done Florence!

Thanks Miss Jacques.

All of the children and staff in school would like to say a huge thank you to Miss Jacques for working so hard to organise our amazing sports days this week!

Reminder

To celebrate the start of School Diversity Week 2023 we will be inviting all children to wear 'multi coloured' clothes on **Tuesday 27th June**.

DIVERSITY WEEK

Inside our classroom we have our very own ice cream shop which the children have thoroughly enjoyed! This has also linked to 'Money Week' as we have used coins, notes and a till to buy and sell the ice creams and lollies.

Don't forget to collect your form from the office for your child's place in the F1 class for September!

We used wooden hammers to save some sea creatures that had become frozen in ice!! We looked at how pouring water over the ice helped it to melt.

We carried out an investigation to see what objects can float and sink, using different materials.

Splashing Into Summer!

This week F1 have thoroughly enjoyed exploring and experimenting with water in our outdoor area for our current topic 'Splash!' It has definitely cooled us down during the hot weather!!

We carefully carried buckets of water using our gross motor skills to make sure that we didn't spill any!

We made a structure using plastic tubing to pour water from the top to the bottom. We challenged ourselves to try to catch the water before it reached the floor!

We have tried out different containers to pour and fill with the water, including buckets, test tubes, watering cans and funnels.

We have used paint brushes to paint over chalk letters and numbers on the ground and floor. We have also used them to decorate shells in glittery water.

We have used nets to try to catch fish and different sea creatures.
