COMICS YOUTH^{CIG}

BY YOUTH, FOR YOUTH: CREATIVITY THAT MOVES BEYOND THE MARGINS.

Lego Club

This week in Lego club we had a competition to build the sturdiest tower! We had to make sure that the tallest part was supported well. We tested each one by dropping them off the table to see how many bricks would fall off. We had great fun!

Hub 1 & 2 Sponsored walk

Hub 1 and 2 managed to raise a whopping £855.30 doing their sponsored walking! This money will help fund trips and enrichment opportunities for our children in our learning Hubs,

THE EMPTY POT

All about honesty

This week in 5NM, we listened to the story 'The Empty Pot' by Demi. In the story, the Emperor looks for a successor by giving all of the children seeds to grow into flowers.

One child, Ping, struggles to grow his seed and has to present his empty pot to the Emperor whilst all of the other children show the beautiful flowers they have grown. However, the Emperor is only interested in Ping's empty pot and explains that the seeds he gave the children were cooked and that none of them should have grown. It was a test to find out who would be honest. We discussed the moral of the story and the importance of honesty and truth.

Later in P.E, with honesty in mind, we played a game in which we needed to get across the room as a team using hoops and spots as stepping stones. If any part of our foot touched the floor- we had to start from the beginning again.

We were so honest that it took us a very long time!

Mrs McGee and Miss Valentine were secretly watching to see if the teams would be honest and restart if they touched the ground.
