# Hot Chocolate with the Head

These children were invited to Mr Armer's hot chocolate afternoon. They were nominated by teachers and parents in recognition of them going above and beyond or excelling in an area, not just academically.

**Well done to: Charlie, Teddy, Hollie, Logan, Bowie and Millie**  
If your child has done something that you feel is worthy of a hot chocolate then send in details to

[d.armer@newbrighton.wirral.sch.uk](mailto:d.armer@newbrighton.wirral.sch.uk)

Thanks for all of the parent nominations last week, we take them all into consideration- looking forward to next week

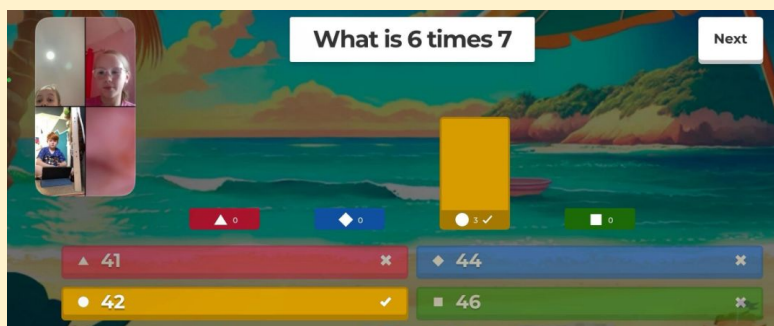

Hub 1 had the best day on their trip to Gullivers world! We used the money we raised on our sponsored walk to fund it and are so grateful for the generosity of our families enabling us to go.

4CH have been working hard this week practising their times tables in preparation for their multiplication check next week!

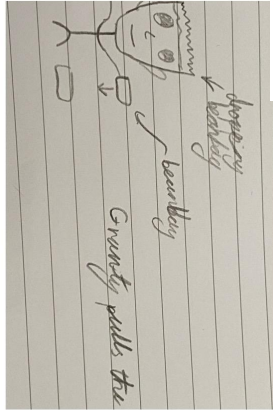

# EXPLORING GRAVITY WITH 5NM

This week, in 5NM we have been looking at gravity in our science lessons. We discovered how Galileo used the Leaning Tower of Pisa in Italy to show how objects will fall at the same rate even though they may be different in weight. This is because of gravity!

We drew diagrams to explain how gravity works.

We carried out our own experiment using beanbags and then water bottles.

Did you know that the tides in our seas are caused by gravity?

We spoke about what would happen if we had the same gravity as the moon- it would be very difficult to go about our daily lives!
