

Home-School agreement 2024-2025.

A Home School Agreement is a statement explaining your child's school's aims, values, policies and procedures, its responsibilities towards its pupils, the responsibilities of the pupil's parents, and what's expected of pupils.

At New Brighton Primary School, we recognise each child as an individual, and aim to give all children every opportunity to realise their full potential. We believe that a close partnership between the school, parents and the child is essential if we are to achieve this aim.

It is therefore an expectation that all parents who wish their children to attend New Brighton Primary School will sign up to our Home School Agreement. We also ask parents to ensure they share the Home School Agreement with their child and we will also discuss this in school.

We believe that it is important to have a shared understanding of the aims we have for all children who attend New Brighton Primary school and of the values we wish to instil in our children i.e: **responsibility, confidence, community involvement, mutual respect, resilience, independence**

Compliance is assumed given that parents have specifically chosen New Brighton Primary as the school of choice for their children. If individuals do not agree to follow the terms of this agreement, an appointment should be made immediately with the Headteacher.
