History in 3LC

Since the start of the year, Year 3 have been learning about the Stone Age. This week, we learnt about a Stone Age monument called Stonehenge, we created a posters detailing facts and how we know this information. We finished with a Kahoot before testing our knowledge of the Stone Age before moving onto the Bronze Age.

Well done to Alice, Ingrid, Jayden, Marina and Pixie for creating fantastic, informative posters.

Hub Residential

Hub 1 and Hub 2 pupils had a fantastic time this week on their residential trip. More to come in next week's newsletter!

What is Makaton?

Makaton is a unique communication programme that uses symbols (pictures), signs (gestures) and speech to enable people to communicate. It supports the development of essential communication skills such as attention and listening, comprehension, memory, recall and organisation of language and expression.

Being able to communicate is one of the most important skills we need in life. Almost everything we do involves communication; everyday tasks such as learning at school, asking for food and drink, sorting out problems, making friends and having fun. These all rely on our ability to communicate with each other.

We are going to be learning makaton all together as a school, with a new 'Sign of the Week' each week. Our first sign will be 'good morning.'

Have you seen this man?

This week, Sweetpeas had an interesting visitor to their classroom, who got up to all sorts of mischief!

We made gingerbread men to help everyone in school know what he might look like, but unfortunately they were just too tasty, so we had to eat them instead. Everyone will just have to use our 'Look Out' posters instead.

Ginger bread man

We also learnt how to sign Gingerbread Man in Makaton.

Our winner of a £20 voucher for The Vale Park Cafe is...

Remember, all you have to do to be in a chance of winning our weekly prize draw is be in school by 8:50am... simple!
One raffle ticket for each day.
