

New Brighton Weekly News

23rd September 2022

The Sweet peas had a tour of our school this week!

We visited the library and school gardens and went to have a look at all of the older children's classrooms. We even visited Mr Armer and Mr Jones to talk about their very important roles in school.

Class 3CM

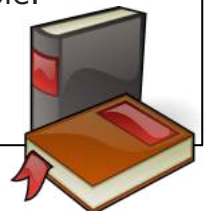

This week, we have been learning about how tools were made from flint during the Stone Age. We looked at hand-axes, spears and sickles and learnt how they were used for survival.

We had great fun making our own hand-axes too!

Book Amnesty.

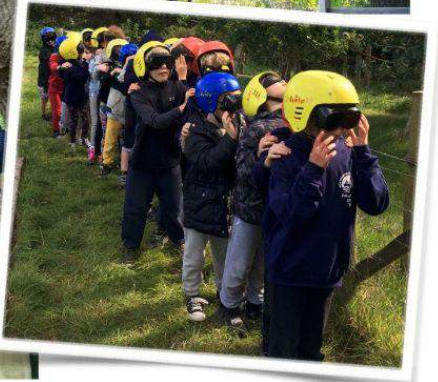

Mrs Waldron has been spending the first couple of weeks of term auditing our school book stock. We have lots of children who have moved on in their reading and need access to more challenging texts, thanks in large part to parents supporting with home reading. We will order news books to supplement our library stock in due course. We are also missing a significant amount of our current book stock and it is vital that it is returned to the library so all children have access to quality texts. Please could all parents and carers check books at home to see if any New Brighton Primary library books have been overlooked and return them to school as soon as possible.

Year 4 had a fantastic adventure on the Isle of Man last week. The Venture Centre gave pupils challenges to show off their resilience and bravery. They paddled, climbed, abseiled and scrambled in style!

Parking.

Please do not park on the yellow zig zag lines around school. We understand that some parents have difficulty finding a parking space but these road marking are in place to keep all children safe,

Coffee Morning!

**Come and join us on Wednesday 28th September 9-11am for a coffee and a catch up. Sam Asher from the ADHD Foundation will be at school to introduce the service and how they can offer help and support. Mrs Elsender & the pastoral team will also be on hand to answer any questions too.

Well done to 6RS who have the highest reading average this week and to 2RM who have the most improved score. Please try to read 5 times a week with your child - the results of regular reading make such a difference to them across all subjects in the curriculum.

Condover Hall Year 6 residential 6 - 9th March 2023

Parents are now able to use the Arbor app to make payment instalments to clear their child's balance.

There are couple of remaining places.

School Photographs

The School photographer will be in school on **Friday 7th October** to take individual portraits.

Parent Governor Vacancy

Make a real difference to the children in our school.

Are you objective, focused on broad educational needs, and want to raise aspirations for all?

The governing board:

- :- Sets the strategic direction for the school - this is the overarching aim for the school, not the day to day running.
- :- Holds the headteacher to account on finance and outcomes.
- :- work to improve outcomes for every child at New Brighton Primary School.
- :- Is filled with experienced and committed governors who really care.

Your commitment:

- 6/7 2 hour Full Governing Board meetings a year - 4.30pm on Wednesday at the school.
- Induction and ongoing training - online and in-person.
- Visit the school to meet with staff and children, as directed by the areas of priority in the school.
- Be a representative parent; not a parent representative.

Why do it?

- :- Collectively, governors lead the school. It's a real chance to make a difference in our children's lives.
- :- Governors learn many skills and gain a deep knowledge of the primary education sector.

If you need anymore information then please email our Chair of Governors -

A nomination form can be obtained from the school office and is to be returned with a short 100 word bio about yourself before **Friday 30th September**

We welcome nominations from the whole parent/carer community at New Brighton Primary School, and want to improve the diversity of our board.

European Day of Languages

The European Day of Languages (EDL) is celebrated across Europe on the 26th of September every year. It aims to promote the rich linguistic diversity of Europe and raise awareness of the importance of lifelong language learning for everyone. It was set up by the Council of Europe and was first celebrated in 2001.

Why not celebrate with your family, and use this opportunity to raise the profile of languages in your children!

The European Centre of Modern Languages (ECML) are inviting entries for their Language Challenge and EDL t-shirt contest. Submit your entry online and your design could be on the official EDL t-shirt for 2023!

Find even more activities, games and facts on the ECML website.

Attendance

We aim for 100% our target is 98%

Remember that school starts at 8:50am and any time after this is late. Formal lessons start at 9:05 and the children need to be in, registered and settled for this time.

Please note, COVID absence is taken into account and we compare ourselves to other schools, both locally and nationally, that are also affected by the pandemic.

Reporting a child's absence

Please remember to phone each day to report your child's absence.

We have an email for you to report Covid (covidinfo@newbrighton.wirral.sch.uk) absence and you can leave absence reasons on the answer machine. If reasons are not provided each day, an unauthorised mark will be entered on the register.
