30th September 2022

ADHD Awareness Month

ADHD stands for Attention Deficit Hyperactivity Disorder and comes under the umbrella term known as a Neurodiverse Condition. There are many other Neurodiverse conditions including Autism, Dyslexia, Tics/Tourettes, Dyspraxia, Dyscalculia etc.

As a school we work closely with the ADHD Foundation Neurodiversity Charity to support our pupils to achieve to the best of their ability. From September this year, on a weekly basis, we will have Sam Asher joining us from the ADHD Foundation. Sam's role within our school will be to work with children across Early Years and Key Stage 1 and to provide support to our parents.

The ADHD Foundation is a National Charity raising awareness of ADHD right across the UK. Please feel free to visit the resource section of their website to gain access to further information:

PARENT GOVERNOR VACANCY

Many thanks for your applications. We currently have 2 x parent vacancies and have received 6 applications, so a ballot is necessary.

Parents will be sent ballot papers next week by email along with a short bio of each candidate.

Voting will close Friday 7th October at 3pm.

4DH have loved learning all about different groups of invaders. All prepared for battle with our shields!

THURSDAY THEMED LUNCH

As it is Census day on Thursday 6th October, we are offering a themed American style lunch which will be Burger & Fries. This will be a good opportunity for infants (YR-Y2) to try a school dinner (free infant meal). For pupils in Y3-Y6 price is £2.30 unless they are in receipt of FSM (benefit related).

Biscuit-y problem solving...!

The Buttercups have been reading The Gingerbread Man this week and it led to some excellent creative thinking...

We've reached the point in the story where the Gingerbread Man has a river that he needs to cross - but how on Earth is he going to do it?!

GET INVOLVED IN RESEARCH

Have you taken your child to hospital with a fever?

Take part in the CHILLED Study

What is the study about?

Fever (a high temperature) is extremely common in children, and we know that more parents are taking their child to hospital when their child has a fever. We would like to understand the reasons for this. The study aims to help us understand how, and why, parents bring their child to a hospital emergency department when they have a fever.

What is involved?

Taking part involves being interviewed and helping the researcher to create a timeline to show what happened to you and your child.

Who can take part?

We would like to hear from you if you are a parent/carer with an experience of bringing your child to the hospital with a fever.

How can I take part?

Great! If you are willing to take part in this study, please contact Courtney Franklin for more information.

Year 6 Museum Trip.

Year 6 had a very thought provoking, emotional experience at the Liverpool Slavery Museum this week as part of their Maafa project. They heard about the untold stories of enslaved people and learnt about historical and contemporary slavery and its' links to our region.

Attendance

We aim for 100% our target is 98%

Remember that school starts at 8:50am and any time after this is late. Formal lessons start at 9:05 and the children need to be in, registered and settled for this time.

Please note, COVID absence is taken into account and we compare ourselves to other schools, both locally and nationally, that are also affected by the pandemic.

Reporting a child's absence

Please remember to phone each day to report your child's absence.

We have an email for you to report Covid (covidinfo@newbrighton.wirral.sch.uk) absence and you can leave absence reasons on the answer machine. If reasons are not provided each day, an unauthorised mark will be entered on the register.
