

BLACK HISTORY MONTH

4CH

Celebrates Black History Month

This week, 4CH have been exploring a range of influential black people, including artists, authors and mathematicians.

The class have been understanding what BHM means, why we celebrate it and the importance of recognising the achievements of many black people around the world.

1BT

This week, 1BT have been learning about colour mixing in Art. They have enjoyed using paint while exploring primary and secondary colours, and creating their very own colour wheels. What enthusiastic and wonderful artists we have in Year 1!

Parents Evening

We will be holding a virtual parents evening on Tuesday 8th November & Thursday 10th November 4pm - 7pm. Please book your slot using the Arbor app (Guardian Consultation - booking opens 17th October at 6pm). Your class teacher will provide you with a google meet link prior to your meeting.

The Stone Age rocks!

Year 3 went back in time to learn about the prehistoric period known as the Stone Age at Tam O'Shanter's farm this week. They learned about how early nomadic man foraged for food and crafted flint tools and weapons. Pupils became archaeologists unearthing buried artefacts and learned new skills by making wattle fences to hold domesticated animals.

We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

The screenshot shows the login interface for 'The Sunnyville School of Magic WJC SEN Leader, SEN'. It features a text input field labeled 'Enter your password', a green 'Login' button, and a link for 'Forgotten password?'.

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.

Completing a sensory circuit each morning is a great way to start the day!

What a great start to the school season for the Y4/5 team!. Away match at Leasowe Primary School on 12.10.22 with a fantastic 6-1 win. Lots more exciting fixtures to come for our Y4/5 and Y6 team.

Pupils are bouncing with excitement as The Sports Hall now has two new basketball hoops!

WORLD VALUES DAY

Wednesday 20th October

Values are what matter most to us. They motivate and guide us. They are the reason we do the things we do.

We will be celebrating in school thinking about our values are.

The theme this year is COMMUNITY.

We are challenging the children to identify a value that is important to them and to put it into action to make a stronger community.

Share with class teachers on dojo and via Twitter or Facebook using the hashtags:

#worldvaluesday
#nbpscommunity
