

25th November

6RS have really enjoyed making a start on our new art and design topic, 'Trailblazers and Barrier Breakers.'

This project teaches children about significant black artists and their work, and provides opportunities to analyse and create artwork inspired by them.

We chose our favourite piece of work and tried to produce our own version. Miss Smith was very impressed with the final outcomes - which one is your favourite?

Mrs Scanlon in F2 is supporting the charity SANDS by cutting her hair off by 30cm after school today. "I wanted to mark the 30th anniversary year for my daughter Rachael" www.sands.org.uk/

House winners this week are **VAUGHAN**
 Well done for collecting the most points this week.

Photographer

The photographer will be returning on Wednesday 30th November to take sibling groups.

Flipping marvellous!

New Brighton pupils took part in a gymnastics competition on November 20th against St Helens gymnastics club.

The girls competed in bar, vault, beam and floor and came away with a clutch of winning medals. Congratulations!

5-4 win for Years 4&5

An absolute nail-biter of a game for the first match of the Y4/5 Corgi cup vs Black Horse Hill. NBPS 3-1 up, 3-3, then 4-3 to the away team - finally 2 more goals to make it a 5-4 win for NBPS with 30 seconds left on the clock. Well done team!

Young cyclists gear up for safety

Pupils took part in Bikeability, the government's national cycle training programme, last week. Children brought their own bikes from home to boost their cycling confidence and learned many practical skills on the road.

Seek and you shall find

Need to ID an animal or plant while exploring the great outdoors? Try downloading Seek by iNaturalist. This free app uses the power of image recognition to identify plants and animals. You can even earn badges as you go. The app tells you all about the species you've found, too. It's nature's Pokemon Go!

Garden project grows

You may have noticed new structures in the school garden this week. Our new pergola will transform into a sensory walkway in spring and the patio is in place for our new greenhouse. We are also preparing one of our raised beds to house some very special, new wiggly residents. Watch this space!

Top of the pips

In May, last year's Year 6 decided to see if they could grow their break-time apple pips. After spending six months in the fridge (tricked into thinking it's winter) the pips have sprouted! They have been transplanted into pots to be cared for by this year's Year 6 on their classroom window-ledge until spring.

Christmas Jumper Recycling

Did you know that 1 in 4 Christmas Jumpers/T-shirts etc end up being thrown away or never worn again?

We want to change that as we appreciate Christmas is such an expensive time of year for families.

If you have any unwanted festive wear please donate to school next week. There will be a recycling bin in reception for donations.

We will then be holding a **CHRISTMAS JUMPER RECYCLE EVENT** after school on **Friday 2nd December** where families will have the opportunity, for a small donation, to grab some new festive wear for their children

This event will be held in the **F2 classroom from 3:45pm until 4:15pm.**

Reporting a child's absence

Please remember to phone each day to report your child's absence.

We have an email for you to report Covid (covidinfo@newbrighton.wirral.sch.uk) absence and you can leave absence reasons on the answer machine. If reasons are not provided each day, an unauthorised mark will be entered on the register.

At the end of this term we will be trialling a new reward system for pupils who have achieved 100% attendance.
